

FAX TO: Examiner Abebe  
FROM: Jerry Miller  
RE: 10/632,029

Dear Mr. Abebe,

Again, I regret the problems that my erroneous numbering has caused. I propose amending claims 40-45 as follows. This proposal makes claim 40 closely track the language of claim 30, in a storage medium claim. Claim 30 has been indicated allowable. Please let me know if this is agreeable to you.

Jerry Miller
